NEW & UPDATED PRAYER REQUEST**

Joe Joyner – After a severe fall on his head, praise the Lord, Doug Joyner is home and doing well. He is meeting with some doctors this week for a follow up. The Lord is Great! This reminds me to always praise the Lord in the tough times and in the time when things are going great.

Ann Snipes – Please pray for my sister, Mary Howard. She had a heart attack last week and has been in intensive care at Cape Fear Valley Hospital in Fayetteville. They did a heart catheterization to put in another stint. Thanks for your prayers.

Raymond and Emily Allen - Please pray for friends of ours, Lucas and Casey Pierce. They have a 4 year old that has a detached retina. The doctors say she has probably had this for quite a while and has no vision in her left eye. The worst case scenario according to the doctors is that this could have been caused by a mass. They are scheduling more tests.

Sandy Rogers – Everyone please be in prayer for my Mom & Pop (stepdad). They had to put Pop into a home for dementia patients. It has been a very hard thing to do all the way around. Pop has lived in the house for 60 years, but my Mom can no longer take care of him. She is healing from back surgery, so I ask for your prayers for continued healing for her, and God's grace and comfort for both in this difficult time.

Pam Angell – My sister, Joyce Smith, is doing much better after surgery and she came home from the Florida hospital on Monday. Please pray that she will continue to improve.

Ruth Compton – Once again I call for prayers especially for my son-in-law, Tony. He was to have his 4th chemo treatment last week, but was too sick to go to the Cancer clinic at Baptist. Also, please put my daughter, Debbie on your prayer list. She has many problems, besides being there for Tony. Thank you for remembering Tony and Debbie, and me, in your prayers.

Dick and Eva Weaver - I ask the church to pray for Eva and me . I have had some tests run and have a mass in my left lung. They went into the lymph node but the test didn't tell them what they wanted to know. They went into the lung yesterday took a cut of the mass. I need your prayers, for without God's help I just don't want to face this, with His help I can.

Linda Ivey - Please remember the Hutchins family, from Stokesdale, in prayer. My Uncle, Rev. Manuel Hutchins passed away on Feb 3. His wife died Jan 5, so this is very hard on their children, losing both parents within weeks.

Karen Beck – Please pray for Suzie Perry. Suzie became ill two weeks ago with sudden stomach pain. She is fighting an infection, on kidney dialyses and in a medically induced coma. Last Thursday she suffered a heart attack. Suzie has a loving husband, a 9 year old daughter and a 3 year old son. I am not sure of Suzie's salvation, as I have not seen her in several years.

Diane Hancock - I have a prayer request for our neighbor, Mitch Shore. He found out last week that he has a growth on his bladder. He is lost. Pray for his salvation and healing. He goes back this week to have a biopsy done on the growth. Also, pray for Earl and me as we witness to him.

Melody Chandler - Please pray for my mother-in-law Sue Ostrom. She had surgery yesterday at Medical Park. Please pray for a quick recovery.

Atlas and April Brooks - Please remember April's family. Her grandfather passed away over the weekend. Please remember them during this difficult time.
