Triad Ladies Connect

“Triad Ladies Connect” is the women’s ministry outreach of Triad Baptist Church. The purpose of these ministries is to encourage women to grow in their faith in Christ, to develop and strengthen intimate friendships with other women, and to provide opportunities to serve and reach our community for Christ. “Triad Ladies Connect” through ...

MOPS stands for Mothers of Preschoolers. MOPS International exists to meet the needs of every mom - urban, suburban and rural moms, stay-at-home and working moms, teen, single and married moms - moms with different lifestyles who all share a similar desire to be the very best moms they can be! MOPS recognizes that the years from infancy through kindergarten are foundational in a mother-child relationship and are filled with unique needs. Our MOPS group meets every second and last Thursday of each month from 9:00 am – 11:30 am (excluding the summer months June – August). For further information contact Nicky Tilley at 788-6590.

LADIES FELLOWSHIP TEAM - This group plans periodic times of fellowship and sharing with a unique event including breakfasts, dinners, trips, retreats, father/daughter picnics, mother/daughter teas and special speakers. In a large body of Christians, such as we have at Triad, it is sometimes difficult to find opportunities for getting to know other women. Our team of ladies meets monthly for the purpose of planning activities and events designed to bring women together for Christ-centered fellowship. In addition, they create opportunities for focus on our church missions work. It is our goal to show concern and encouragement to the women within Triad as well as to reach out into our community to be examples of and witnesses to Christ’s love. The LFT meets monthly to discuss and plan for events. As we meet and prepare, LFT members get to know and form friendships with each other. Interested in becoming a part of the Ladies Fellowship Team? Contact Sandra Prater (595-5375) or Patsy Simcox (993-2639).

LIFE SUPPORT COUNSELING MINISTRY - Life is ten percent what happens to you and ninety percent how you respond to it. How you respond to circumstances and issues in your life says a lot about you. We all have "habitual behavior patterns" that have a profound effect on us both emotionally and spiritually. Mostly, these patterns of behavior can influence the way we relate and view those

around us and God. Understanding these patterns of behavior can greatly change our relationships and draw us closer to our heavenly father. God created us and knows us completely, and he alone can change, heal and bring us to total dependence on him. The Life Support Counseling ministry is here to help you understand yourself better and to support you on your lifelong journey of "habitual godliness" that will extend to all areas of your life of loving and serving God and others. LADIES DISCIPLESHIP MINISTRY – This is a two-pronged mentoring approach designed to help women grow in their walk with Christ. The two aspects of this ministry are....

- “The Stranger on the Road to Emmaus” – Are you a new Christian, or do you just want to learn more about the Bible? Then this book is for you...here is a book which explains the Bible themes clearly and logically. Rather than focusing on one part—and missing the whole—the author chronologically weaves together the entire text into one great drama, looking at events from the perspective of those who experienced history in the making. Walk through this book with another Christian woman and allow her to guide you and answer your questions as you seek to grow in His Word.

- “Women to Women” – Mentoring is really nurturing—sharing ideas from life lessons and passing on wisdom, ideas, and truth from God from one generation to the next. Mentoring has the potential to change lives. Young women need the wisdom and fellowship of older women, and older women, in turn, are blessed and learn from the lives of older women.

Do you long to have someone to talk to...someone who understands you...has faced the same the same decisions and gives godly advice...then call today and arrange to meet with a mentor.

Or, perhaps you are wondering if you could be a mentor. Answer these questions for yourself: Can you be a friend, can you listen, can you share what Christ has done in your life, do you care about the needs of other women, and do you have a tender heart toward God and others?
